

FROM RESULTS TO UPTAKE: CAPITALIZING PROJECT RESULTS FOR POLICY IMPACT AND FUTURE PROGRAMMING

24th June, Hotel Continental, Rimini (Italy)

The event aims to present the IPA ADRION capitalization strategy in collaboration with key stakeholders, while creating space for discussion and the exchange of good practices among beneficiaries. The first part of the event will focus on exploring the relevance of capitalization, also in the context of the upcoming programming period. The second part will be dedicated to thematic cluster discussions, providing an opportunity for more in-depth exchange and peer learning.
